If you are taking your first dose of buprenorphine on your own, you can find information on starting buprenorphine at home at this link:

You are not alone

Washington Recovery Helpline – 24/7 support for substance use disorder and help finding treatment options.

1-866-789-1511

warecoveryhelpline.org

Never Use Alone Hotline – a trained volunteer will stay on the line and call for help if you become unresponsive while using.

1-800-484-3731

Washington Telebuprenorphine Hotline – provides low-barrier access to buprenorphine for opioid use disorder daily from 9 am – 9 pm.

206-289-0287

Washington Syringe Service Programs – drug user health programs providing naloxone, safer use supplies, and other harm reduction resources.
